## Admissions

1.1 The combined intake of students in the nine MES Institutions for the academic year 2018-19 was 9653, a decrease of 1.61% over the previous year. This is largely due to decline in admissions in two of the four PU colleges. The details are presented in Table 1.1

2.1 Both the Schools achieved excellent academic outcomes in 2018-19 with most students scoring above 80%. KKPS, Vidyaranyapura has consistently maintained cent percent results in the ICSE 10<sup>th</sup> Board exam, including in 2018-19. In both the schools, the number of students who secured Distinctions is significantly more than last year. Kishora Kendra (KK) High School, Malleswaram secured 97.57% results in the SSLC exams of 2018-19 bagging the 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Ranks in Karnataka which is a matter of great pride to MES. 23 students got 600 marks and above. 147 students out of 161 secured distinctions and first class. The number of students scoring centum in Sanskrit, Kannada, Social Science, English, Maths and General Science was 8, 14, 11, 7, 10 and 1 respectively. At MES KKPS, two students secured the 4<sup>th</sup> rank at All India Level (2<sup>nd</sup> Rank in state level) and one student the 9<sup>th</sup> rank at All India Level. 8 scored centum in English Literature, 6 in History & Civics, 4 in Computer Applications, 2 in Mathematics and 1 in Physics.

2.2 In three of our PU Colleges, the pass percentages for 2018-19 were marginally lower than those during last year but this was made up by better results from the ACS PU College. This trend is believed to be similar in institutions all over the State. However, at the MES KK PU College, the percentage of students who secured distinctions & first class was slightly higher (57.58%) than that during last year (55.35%).

2.3 The number of centum scores in various subjects at all the four PU Colleges was 174 as compared to 175 in 2017-18. ACS PU College dominated with 133 as compared to other MES PU Colleges. ## 5.2 Foundation Day Lecture and Valedictory of Diamond Jubilee Celebrations of the MES

### 5.2.1 Foundation Day Lecture

MES decided that from now on, 16<sup>th</sup> of January, the date on which the Mysore Education Society (MES) was registered under the then Mysore Societies Registration Act, 1904, will be celebrated as Foundation Day of MES by organising, *inter-alia*, a Foundation Day Lecture. Sri S V Ranganath Vice-Chairman, Karnataka State Higher Education Council delivered the first Foundation Day Lecture on "Transforming Indian Higher Education" on Wednesday, 16<sup>th</sup> January 2019. In his lecture he dwelt at length on the important role of teachers, explained how technology will make good teachers better and not replace them and predicted that India may well provide teachers to tomorrows world.

### 5.2.2 Diamond Jubilee Lifetime Service Award

The Diamond Jubilee celebrations of MES PU & Degree College, MES Teachers College and the Society continued during 2018. A few programs were organised by these institutions during the year. The valedictory function was combined with the foundation day celebration on 16<sup>th</sup> of January 2019. The Diamond Jubilee Lifetime Service Award was conferred on Smt. Vimala Rangachar, Founder Member and Former President of MES and Prof. B R Seshadri Iyengar, Former Principal of MES Degree College and Vice-President of MES for their life time contribution to MES. The award consists of a silver memento and a citation.

### 5.2.3 Diamond Jubilee Distinguished Teacher Award 2018

Three outstanding teachers who served in MES institutions, namely Smt. H S Sharadamma, Professor of Mathematics, Sri C V Ranganatha, Professor of Commerce

and Smt. Lalitha Murthy Professor of English were honoured by conferring Diamond Jubilee Distinguished Teacher Award 2018, which contains a silver memento and a citation. This award will be given every year on the Foundation Day.

#### 5.2.4 MES Logo

While each institution under MES has a logo of its own, the MES as a Society did not have a logo of its own for these six decades. The students and staff were encouraged to present their creative designs of a logo. The Office Bearers along with Dr. H Shashidhar scrutinised these entries and with the assistance of MCA finalised the design which was launched on the Foundation Day.

The new logo is a combination of Graphic elements, Typeface and a Tagline (The human form, an open book, a star, MES font and Tagline). The open book at the bottom represents the foundation of education and knowledge which is vital for life. The two human forms together represent the Guru Shishya tradition of our country. The Star represents the achievements that is the outcome of this wonderful student-teacher relationship. MES font is unique, elegant and easily readable and even if used without the other elements can serve as an excellent Mnemonic. Navy blue colour is one of the most widely accepted hues and can be interpreted as dependable and reliable. Colour green suggests robustness, vibrancy and emits positive energy. Colour grey is to underplay the two dominant shades which also cue the significant role the *alma mater* plays in one's life. The Tagline "Inspired by Values Since 1956" encapsulates the vision of the institution and is self-explanatory.

All the 26 regular appointees possess the requisite qualification of Degree/Master's Degree with B Ed-9, M Phil-1, NET/KSET-6 and Ph D-10). Analysis of the service record of teaching staff at the institutions of MES reveals that a large number of them (176 in all; 42.72%) have less than 5 years of experience.
